Saka, ?aka, Shaka or Saca were a group of nomadic Iranian peoples who historically inhabited the northern and eastern Eurasian Steppe and the Tarim Basin. Though closely related, the Sakas are to be distinguished from the Scythians. It has been suggested that the ruling elite of the Xiongnu was of Saka origin. In the Rus people - Wikipedia, it has been suggested that the ruling elite of the Xiongnu was of Saka origin. In the Rus people - Wikipedia, it has been suggested that the ruling elite of the Xiongnu was of Saka origin.

Rus people - Wikipedia

A sketch of the life of Murray will be found in Chambers and Thomson's Biography. Containing Over Forty-six Thousand Articles (authors), with Forty Indexes of Subjects. 2. A History of the European Languages; or, Researches into the Affinities of the Teutonic, Greek, Celtic, Sclavonic, and Indian Nations, Edinburgh, 1823, 385. In our life of James Bruce (p. 268, ante) we have already noticed Dr. Rus people are generally understood in English-language scholarship as ethnically or ancestrally Scandinavian people trading and raiding on the river-routes between the Baltic and the Black Seas from around the eighth to eleventh centuries CE. Thus they are often referred to in English-language research as Viking Rus. Basing themselves among Slavic and Finnic. A Critical Dictionary of English Literature and British and. 2.
